WARRANTY CONDITIONS

1. GYRO-TECH grants a product quality guarantee for 60 months starting from the date of sale (the date of invoice),
2. Repair of, alterations or any other interference with the product by any unauthorized person shall void the warranty. This reservation shall not apply to operational activities specified in the product instruction manual.
3. This warranty does not cover damage caused by:
 - improper product selection,
 - inconsistent with GYRO-TECH documentation use of the product for the specified operating conditions,
 - inappropriate or inconsistent with the instruction manual installation, dismantling, use, storage or maintenance of the product,
 - mechanical, thermal, chemical damage or damage caused by external factors such as: lightning, floods, flooding, etc.,
 - negligent or improper performance of the installation works necessary to ensure proper product operating conditions,
 - normal wear and tear of parts and components,
 - incorrect operation of the product caused by using the product by the User in the conditions different from those provided for in the technical specifications of the product.
4. In-guarantee repair shall not cover dismantling and re-installation of the product at the place of installation and preparation of shipment to the designated Manufacturer's service.
5. Along with granting the guarantee, the parties exclude Manufacturer's liability under the warranty.
6. The Manufacturer undertakes to repair the product free of charge under this guarantee.
7. Complaints should be submitted in writing to the authorized manufacturer's service immediately after discovery of the defect covered by in-guarantee repair, no later than within three days of such a discovery and prior to possible disassembly of the product covered by the guarantee. Failure to meet this requirement shall entitle the Manufacturer to reject the complaint.
8. The complaint notification form should include: name, type and serial number of the product, description of the fault, the original product guarantee card with entered date of its issuance and signature and stamp of the seller. Should the complaint be found to be unjustified, the User can be charged with the costs associated with such a complaint.
9. At the request of the Manufacturer's service, the User shall be obliged to send the faulty product to the address indicated, using the services of the carrier indicated by the Manufacturer's service.
10. Manufacturer's liability is limited to the actual damage caused to the product itself. The Manufacturer assumes no liability for lost profits and damage caused outside of the product.
11. The Manufacturer shall be liable only for damages caused by the willful misconduct of the Manufacturer.
12. The Manufacturer undertakes to rectify the defects within logistically and organizationally reasonable period of time.
13. The guarantee on the product sold shall not exclude, limit or suspend User's rights under the Act dated July 27, 2002 on specific conditions of consumer sale (Journal of Laws No. 141, item 1176 as amended).
14. The Manufacturer offers paid repairs and inspections of the product after the expiry of the guarantee.
15. The list of GYRO-TECH authorized services can be found at or www.gyrotech.eu
